

Please be prepared to answer these questions for the Round 1 Interim Report:

1. How many books were K's, 1st Graders, and PreK's (if applicable) allowed to check out from your library and take home in the Fall 2021 semester?
2. Describe challenges, push back, or feedback you've received as a result of checking out books for children to take home during the Fall 2021 semester.
3. Describe the biggest success in your program so far.
4. How many books have you purchased with your grant funds so far?
5. What percentage of your grant funds were spent on age-appropriate non-fiction?
6. Did you help organize an Idaho Family Reading Week event for your school (in-person, virtual, or remote)? If so, what were the results? How many families participated? Did you receive feedback about the event? Did you have an opportunity to educate families about the services and benefits of your library?
7. You will attach a title list of the books you've purchased so far. Our electronic form requires a PDF, please.
8. You will attach a financial report that has been produced by your school's or district's accounting software. It should clearly show the grant funds hitting an account, and each transaction for book purchases. Again, the form requires a PDF.
9. What amount of your grant funds have been spent to date?
10. Has more than 5% been spent on vendor processing or labeling fees? If so, how much?
11. Please describe any challenges that occurred ordering book titles and using grant funds.
